

/home/beebeop/src/os
_4/src/vgatext.c

```
graph TD; A["/home/beebeop/src/os_4/src/vgatext.c"] --> B["vgatext.h"]; A --> C["vga.h"];
```

The diagram illustrates a file dependency or include relationship. A central box at the top contains the file path `/home/beebeop/src/os_4/src/vgatext.c`. Two blue arrows originate from the bottom of this box, pointing downwards to two separate boxes. The left box contains `vgatext.h` and the right box contains `vga.h`. This indicates that the source file `vgatext.c` includes or depends on both `vgatext.h` and `vga.h`.

vgatext.h

vga.h
